MD's Alfaaz

Dear Gilardians,

After over 55 years of providing dynamic leadership to our Company, our MD Mr. H.S. Sethi has now passed on the responsibility of leading the Company to me. He is now the Chairman of the Board and I have been designated as the Managing Director. We shall none the less continue to get his blessings and guidance. I thank the Board for reposing faith in me.

We all, as a team, shall continue making Gilard the "First Choice of our Customer". Our customer mostly comes to us for developing new products based on his drawing / sample or design. He comes to us from near and far. He comes to us for a reason. He comes to us considering us as "Specialists". He comes because he has faith in our systems, our performance, our knowledge base, our ability to handle multiple technologies and in our ability to Deliver a Quality Product On Time. He further comes to us because of our Ethical practices, legal compliance, good work culture, good employee engagement, good systems and practices. He likes to work with us because we are Responsive, Responsible, Respectful, Transparent and open to Suggestions. We offer him quick solutions in times of crisis and Design changes. We adjust quickly to his changing volumes and Quality expectations. We respond with quick Corrective and Preventive Action Plans whenever required. From our side, we are and will continue to be his "Strategic Partner". We have to keep making ourselves stronger and better in all these areas to serve our CUSTOMER better and longer.

Sanjiv Singh
Managing Director

Vikaas New Products

Gilard has added a range of new products to its arsenal in the last quarter. Take a quick look at some of the new products.

GE's Item Code :1387-02
Contact PD

GE's Item Code : 1397
Heating Terminal

GE's Item Code : 2406-2B
Innova Terminal (4 Way Coupler)

GE's Item Code : 2406 - 2B
Innova Terminal (1 Way Coupler)

The safety of people associated with us at work is important for us not only within the four walls of the company but also while they are commuting between their residence and the place of work. Road safety sensitization makes a lot of sense and Gilard has worked on it in a focused manner in 2016 - 17.

Yogdaan Initiatives for CSR

Activities on Road Safety

Marathon participants may have varied targets ranging from participating to finishing or winning a marathon. When 50 Gilardians registered themselves for First Mohali Marathon they were very clear of their goal - "Spreading Road Safety Awareness". They were keen to connect their physical effort with a social responsibility message, in a way that the on-lookers were inspired and encouraged to follow traffic rules. Using the strategy of mass communication with short and attractive handmade visual messages, the Gilardians compassionately ran for improving the road safety in their city on 29th January, 2017. Many of our posters were focused on "No use of Mobile phone on the roads". Our special thanks to Mr Amroz Singh, DSP, Mohali and promoters of India Run Festival - Ms. Deep Shergill and Mr. Manrit Paul Singh.

We were privileged to perform our skit on 'Road Safety' in Trelleborg Vibracoustic (India) Pvt. Ltd, our esteemed customer during the inaugural ceremony of National Safety Week 2017 in their plant.

So readers we request follow the road safety rules and regulations and make your driving a better experience.

General Awareness on Cancer

Gilard is engaged in imparting Continuous Health Education in association with DRFHE which organizes health seminars on current health issues. In February 2017, a seminar on 'General Awareness on Cancer' was arranged where Dr. Sumit Jain from Fortis Hospital educated Gilardians about symptoms and causes of Cancer. To our surprise, junk food plays an active role in causing cancer. Apart from this, food microwaved in plastic can also cause Cancer. We are already aware that tobacco consumption is a leading cause of lung cancer. Gilard is running an extensive anti-tobacco campaign to educate the employees about the harmful effects of Tobacco. Effects of Cancer are detrimental and difficult to cure if prolonged. The early detection of cancer is very important as it greatly increases the chances for successful treatment. All readers are requested to avoid junk food items and limit the use of plastic material for their healthy well being.

Blood Platelets Donors for Cancer patients

Gilard appreciates the kind gesture of the below listed donors of blood platelets for cancer patients in PGI, Chandigarh.

Mr. Ranjit

Mr. Gurshinder

Mr. Kulvir

Other Health Seminars held for Gilardians

General Health Check up camp organized in January 2017, courtesy IVY Hospital for check up of Blood Pressure, Sugar Test and Orthopedic Consultation, was attended by 55 Gilardians who received advice regarding their health issues from Dr. Amar Kumar, MS Orthopedics.

Dil Se... The Creative Zone

पहचान

बोलना और सुनना जरूरी नहीं है ,
मुस्कुराने के लिए बस दिल में होंसला जरूरी है ,
अपनी पहचान बनाने के लिए खिलते हैं फूल गुलशन में,
उन्हें भी मुस्कुराने की आदत होती है
जो कुछ बोल नहीं पाते उन्हें भी सबकुछ
कह जाने की चाहत होती है ,
मत तोड़िए शाख से फूलों को उनमें भी जान है
जिन्हें खुदा ने जुवान नहीं बखशी उनके दिल में भी
जुवान है ,
आओ कुछ ऐसा करे कि उनके मासूम चेहरे पर
यू ही मुस्कान बनी रहे ।

मौसम

चलो मौसम की बात करे, गर्मी के इस मौसम में
जहाँ चारों ओर गर्म हवाएँ चले , वहाँ कैसे सब आराम करे?
बिना बादल प्यासी है धरती , पक्षी भी करहाते है ,
हवा में जैसे आग लगी है , पोछे भी मुरझाते है ,
सावन भादों रूठ गए है , बादल जैसे मौन खड़े है ,
सूरज की बढ़ती गर्मी से, पशु पक्षी भी तड़प उठे है ।
फसलों ने बेराग सा लिया ,ना जाने कब बादल बरसें,
प्यासी पड़ी इस धरती की, न जाने कब प्यास बुझे ।
महंगाई से सपनों की, सब बिखर गयी तस्वीरे ,
प्रीत के बंधन की, पड़ गयी पैरो में जंजीरे ।
पनघट, नारी, गागर रूठी सूख गयी सब नदियाँ ,अब तो
बरस पड़ो ओ मोहन , प्यासी है सब गोकुल की गलियाँ ।

सुविचार

समय और स्वस्थ

जो यह सोचते हैं कि उनके पास सैर करने का समय नहीं है,
उन्हें देर सबेर बीमार पड़ने का समय निकालना पड़ता है ।

जीवन

जीवन लंबा होने की जगह महान होना चाहिए ।

शरीर और दिमाग

शरीर को स्वस्थ रखना हमारा कर्तव्य है नहीं तो हम अपने दिमाग
को मजबूत

और स्वस्थ नहीं रख पाएंगे ।

मित्र और दौलत

स्वस्थ सबसे बड़ी दौलत है संतोष सबसे बड़ा खजाना और
आत्मविश्वास सबसे अच्छा मित्र है,

इंसान प्राथना करते हुए समझता है कि भगवान सुन रहा है पर
निंदा ,चुगली करते हुए इस बात को क्यों भूल जाता है ?

कागज अपनी किस्मत से उड़ता है ,

पतंग अपनी योग्यता से ,

किस्मत साथ दे या ना दे योग्यता साथ देती है !

Relationships

Hi Gilardians! It is always a pleasure to write for your magazine, ALFAAZ.

In continuation to my two previous articles on Relationship, I share below a brief insight into the prime relation of "FATHER & CHILD",

Well what doesn't a father do for his children. Everything he possibly can really. My dear father, the sole bread earner of the family, supported and protected us all in the best possible way. Due to a very busy and hectic lifestyle that he had, I can't even recall spending quality time with him as he was always on his feet fighting hard to make a decent living for the rest of the family and himself. Thanks to Dad I was provided with a healthy, stable upbringing and had a wonderfully secure childhood with my Father present in front of me at all times. In my opinion, the majority of the very good fathers are very genuine human beings too. Fathers who stand up and stand by their children are truly sincere at heart. I deeply wish i had more time to spend with my Dad and if given the opportunity would love to re-live some of those glorious golden moments of life with him and to express my gratitude towards him over and over again for all that he has given to me in life. A Man of wise words, strong faith and a dynamic personality, who proved to be a winner all the way. His contribution to life and his family has been phenomenal. The more i praise him the less it is, the more i love and respect him the less it is. Salutes and kudos to him and all fantastic fathers and great human beings.

Ms. Shamila Zafar (Gilard's Customer)

INTERESTING FACTS

- The Taj Mahal was covered with a scaffold during WW II to make it look like stockpile of Bamboo & misguide any enemy bombers.
- Google's first computer storage was made from LEGO.
- Stomach acid is strong enough to dissolve razor blades.
- Hitler's great grand children signed a pact to never marry or have children in order to end the family's bloodlines.
- There are 318, 979, 564,000 possible ways to play the first four moves, per side in chess.

News From Around Gilard

Certification Upgradation

Gilard has recently upgraded its certification for Environment Management Systems ISO 14001:2004 to new revised standard ISO 14001:2015. For information of our stake holders who are certified for EMS, the transition period for changing over to the latest revised standard is till September 15, 2018. Early preparation for changeover is recommended. Changes to ISO 14001 provide a much improved interface with ISO 9001:2015 as it is written in the same high level structure (HLS) as the 10 sections of ISO 9001.

Lohri At Gilard

Amidst the cold weather, the long awaited bonfire festival Lohri was celebrated by Gilardians on 13th January. Signifying the Punjab folk culture, all employees swayed to the tune of popular Punjabi's folk songs & the air was filled with the aroma of til, peanuts, popcorn & rewri.
